

Serial entrepreneur and former Ernst & Young management consultant, **Matthew Michalewicz** has more than a decade of experience in starting, running, and selling high-growth companies. He has been honored with numerous entrepreneurship awards, and his business achievements have been recognised by countless publications, including *Time Magazine*, *Newsweek*, and *Forbes*. In addition to serving on many boards and committees, Matthew is currently the Chief Executive Officer of SolveIT Software Pty Ltd, an Australian company specialising in software solutions for data mining, predictive modelling, and business process optimization. He can be contacted at matt.michalewicz@solveitsoftware.com

Internationally renowned new technologies expert, **Dr Zbigniew Michalewicz** has published over 200 articles and 15 books on the subject of applied Artificial Intelligence. Zbigniew has more than three decades of academic and industry experience, and has led countless data mining and logistics optimization projects for various global corporations and government agencies. Zbigniew is currently the Chair Professor of Artificial Intelligence at the University of Adelaide, and in addition holds professorships at the Polish Academy of Sciences and the Polish-Japanese Institute of Information Technology.

Winning Credibility

More than half of new businesses fail within five years, and many of those that endure can't seem to bridge the gulf between "just surviving" and true success. If you want to beat the odds, then your business will need **Winning Credibility**.

This book is a practical "how-to" guide for overcoming the hurdles that all entrepreneurs face when starting and growing a business. Serial entrepreneurs Matthew Michalewicz and Zbigniew Michalewicz provide countless "out-of-the-box" solutions for:

- winning that first major client;
- signing up partners and resellers;
- building an all-star management team;
- leveraging new customers from existing customers;
- impressing the media and analysts;
- engaging high-profile board members;
- finding investors who provide more than just money;
- and much more.

Explained in simple and easy-to-understand terms, the credibility-building principles in this book can give your business a winning edge.

"Whether you are an entrepreneur, or just interested in the world of business, this book is for you – it is practical with clearly demonstrated examples, and provides a multitude of hints and tips. A highly valuable resource."

– Sonja Bernhardt, Chief Executive Officer, ThoughtWare Australia.
First Australian inducted into the Hall of Fame for Women in Technology International (Silicon Valley, December 2005)

Winning Credibility

A guide for building a business from rags to riches

"Your credibility in business is critical ... you will never be the winner if you lose credibility with your suppliers, customers, and staff."

– Janine Allis, CEO and Founder, Boost Juice Bars
2004 Telstra Australian Business Woman of the Year

"An invaluable, easy-to-read primer for anyone looking to start a business or for any entrepreneur dealing with the myriad issues that confront them in growing their business."

– Dr Roger Sexton, Chairman, Venture Capital Board

At last, a book that explores the magic missing ingredient that can make all the difference between success and failure. The winning edge that can help you join the success stories you hear about in the media is **credibility**.

Authors Matthew Michalewicz and Zbigniew Michalewicz have written a practical "how-to" guide for turning a start-up business into a successful company. Whether you are beginning a new venture or operating an existing one, **Winning Credibility** will change the way you do business.

Each chapter also includes a running case study that follows the fortunes of two entrepreneurs who put into practice the tactics, strategies, and principles outlined in this book.
